

Daddy

I can't tell you daddy  
How many tears I have cried  
Since the day I was told my precious father had died

It seems so unimaginable  
Although I know it's true  
As everything I observe around reminds me, of you

I know you are in a better place  
But still I can't go without seeing your lovely happy face  
We would have all lost our sanity  
If not, for God's saving grace

I still don't understand how this came to be  
But you are in heaven with God  
Like all of us want to be

For your heart is gold  
Nothing can compare  
To your effortless amount of love that you share

If flowers grow in heaven  
Lord please pick a bunch of them for me  
Place them in my father's loving arms  
And tell him they came from me

Because remembering him is effortless  
I do it everyday  
But there's a large pain of ache within my heart  
That will never go away

I have to close this somber letter now  
But this is not goodbye  
For you will forever be with me eternally  
In my heart and mind

Me and my dad's favorite bible verse we read together and is my favorite bible verse to this day is "If my God is for me then, who can be against me?" –Romans 8:31

I love you daddy
